## STANDARD GUARANTEE

(Recommended by American Shorthorn Association)

- A. Proper care must be given to purchaser to protect breeding qualities and health of guaranteed animals.
- B. All bulls are guaranteed breeders, provided they are not allowed to serve when under 14 months of age, or allowed to run with the herd when under 20 months of age. In case of failure of a bull to be a breeder, notice shall be given to the seller within six months of date of purchase, or by the time the bull is 20 months of age, if purchased under 14 months of age.
- C. With the exception of heifers sold under 14 months of age, all females are guaranteed breeders. Heifers under two years of age shall not be served by a heavy or old bull. Cows or heifers sold as bred, or safe in calf, not proving to be in calf, must be reported to the seller within three months after date of sale. Females over 14 months of age sold open, not settling within six months after date of sale, shall be promptly reported to the seller.
- D. When an animal fails to comply with the above guarantee, the seller has the option of substituting an animal of equal value to the satisfaction of the purchaser, or of having the animal returned for a trial for a period not to exceed six months. The expense of a freight in such case is to be paid by the seller. If the animal is then proved to be a breeder beyond doubt, it shall be returned to the purchaser at his expense. In case of dispute, the return of the full purchase price, without interest, to the buyer will be considered full settlement and satisfaction to all claims. No charge for feed or maintenance shall be made by either buyer or seller. Salvage shall go to the seller. It shall be understood that the same guarantee given for the first animal shall likewise apply to any animal later substituted.
- E. In the event an animal is returned by the buyer to the seller as a non-breeder, the buyer must furnish to the seller a veterinarian's certificate showing that his herd is healthy, if such a certificate is required by the seller.
- F. All animals catalogued have been tested for T.B. and are clean, and have also passed a test for Brucellosis thirty days prior to the sale, or are accompanied by a Bangs vaccination Certificate. Announcements will be made covering animals not clear from vaccination.
- G. Certificates of registry and transfer will be furnished with each animal sold. A signed pedigree application for unborn calves should be furnished with bred females showing names and record numbers of sire and dam, as well as service date.

All prospective buyers should check health requirements of their states. Health certificates will be provided with each lot sold.

The above guarantee and terms shall constitute a contract between consignor and buyer of each lot. Neither the sale manager nor the clerk of the sale assumes any liability, legal or otherwise.

## **GENERAL INFORMATION**

**LOCATION** - The show and sale will be held in the arena of the judging pavilion at the Saline County Fair Grounds at Salina, Kansas on Wednesday, April 6. The headquarters for the sale will be at the Holiday Inn.

**TERMS** - The terms of the sale are cash unless other arrangements are made in advance with the consignor from whom you purchase. Settlements are to be made with the clerk of the sale immediately at the conclusion of the auction. All stock will be at buyer's risk as soon as bid off, but the management will attend to loading in compliance with instructions from purchaser.

**GUARANTEE** - All cattle will be sold under the guarantee of the American Shorthorn Breeder's Association.

Where footnotes appear in this catalog, they were furnished by the consignors or written from information supplied by the consignors. We shall not be responsible for any accidents that may occur, but we shall make every effort to provide for the safety and comfort of our guests.

**BIDS** - Those wishing to buy, who cannot be present, may leave or send their bids to the sale manager, Larry North, 2414 Howell, Dodge City, Kansas; to Pat Buchan of American Shorthorn Association, Omaha, Nebraska; to the auctioneer, Bruce Brooks, Oklahoma City, Oklahoma; or to representatives of the press, J.C. Barr, Kansas Stockman; Frank Buckman, Grass and Grain.

**JUNIOR INFORMATION:** There will be a junior meeting in the evening after the banquet, April 5.

## **MANAGER'S MESSAGE**

**Dear Friends,**

It has been a pleasure to be able to work with as many fine people as we have met this past year.

We have many positive things to talk about in the Shorthorn business.

Bull sales have been strong. Females are in good demand. Steers have been sought after. Why! Because we have been changing. Breeding finally what the cow-calf man can make work on the range, what the feeder calf buyer can grow, and the feedlot owner can grow for the packer to kill.

This is what is happening in the Shorthorn business and you will have the opportunity to buy this type animal at the 1977 Mid-Kansas Shorthorn Sale 12:30 Wednesday, April 6.

If we may be of any assistance, please don't hesitate to call or write.

Sincerely,  
Larry North

One of the few calves in the U.S. sired by Remitall Deputy. The bull exported to Scotland for \$5,000.00 out of the Remitall dispersion. Dam a real good half sister to Ball Dee Perfect Count. I doubt that you could write a more star-studded pedigree.

Pa Do Scottish President 537 - Potential unlimited best describes this giant-framed son of Clark from the same mother as MAXI BRUTE. The Brute cattle need no introduction. (A son ws Grand over National Show Champion at last Kansas State Fair.) This GENTLE GIANT could move a cow herd along way toward their goal. Just consider a HERD OF HIS DAUGHTERS like his fabulous mother. We can recommend him highly to our best friends. Dehorned & semen tested.
